

## ABOUT THE SUMMIT

### TURN YOUR INSTRUCTIONAL PRACTICES UP!

**TurnIt Up Summit** at Greenville Central School District is a two-day learning event designed for **Classroom Teachers, Administrators, Teaching Assistants, Coaches, and any educator** that is ready to explore learning beyond their comfort zone. The action packed day will be run similar to a conference; all learning levels are invited to attend. Our action packed Capture sessions (one-hour sessions) are for an overview of material and our Immersive sessions (hands-on sessions) are designed for a deeper dive into your learning. Start your conference experience with an **inspiring Keynote Session**, then move into our knowledge packed two day Learning Sessions with focuses on **everything Google, Expeditions, Robotics, Coding, and much more**. Keep fueled UP throughout the conference with our morning refreshments and afternoon lunches, **all included in your registration**.

#### \*CAPTURE SESSION (60 minutes)

- Choose from many powerful **one-hour** sessions that go beyond the basics and push your learning further. All sessions are leveled and are designed to leave you energized as an educator. Connect with other like-minded educators to explore beyond your current knowledge.

#### \*\*IMMERSIVE SESSION-Hands-ON (120 minutes)

- Take a deeper dive into your learning. Immersive sessions are **120 minutes** which allows for more time to explore your passion and to have the hands-on opportunity you may be looking for. Our trainers will explore with you and showcase their expertise as you learn along side.
